

FORMULA ZYNERJI — BLOCKCHAIN SPINE, SELF-BALANCING ECONOMY & REVENUE

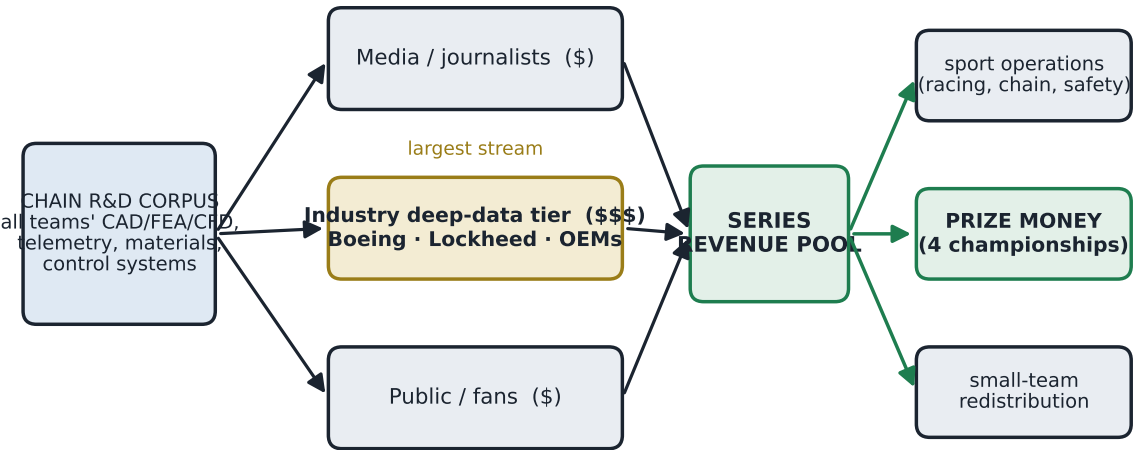

A. ON-CHAIN LEGALITY (only on-chain parts may run — M10)

B. THE SELF-BALANCING ECONOMY (no tokens, no auction, no handicap)

C. REVENUE — the shared R&D corpus is a product that funds the sport

Competitors get the data free (disclosure = how they compete); non-competitors pay. Innovation -> more valuable corpus -> bigger prize fund.
